

***Tutors needed! Contact Jim McGarry, [jmcgarry@ndnu.edu](mailto:jmcgarry@ndnu.edu) (650)508-4120***  
***Job shares possible! Work 2 or 4 afternoons/wk. Summer volunteering can lead to paying jobs in the fall follow-up program. No need to be a math whiz, just like kids!***

## **SAN MATEO SUMMER MATH INTENSIVE PROGRAM**

**DATES:** June 30 – July 25, 2014 (M-TH)

**TIME:** 4-7p.m. Special term-end field trip day on July 25.

**LOCATION:** College Park Elementary School Gymnasium  
715 Indian Ave San Mateo, CA 94401

**WHY:** To provide students with the academic skills and confidence necessary to progress and to be successful in high school math

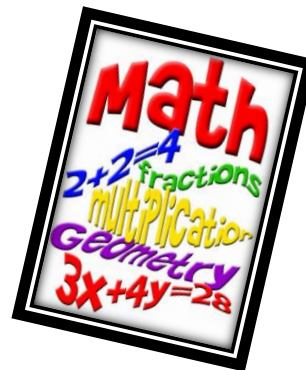

This intensive 4-week math “boot camp” is specially designed for students entering 6<sup>th</sup> or 7<sup>th</sup> grade who with some focused assistance will be able to perform successfully and confidently in mathematics.

The Foundation’s goal is to provide the skills necessary to have students enroll in Geometry in ninth grade and to successfully complete 4 years of college preparatory math classes while enrolled in high school.

The San Mateo Summer Math Intensive Program is completely free to the children. It includes a hot meal, child care for the parent engagement sessions and translation for mono-lingual families.

Presented by: Saint James Community Foundation; African American Community Health Advisory Committee; Bay Area Tutoring Association; and Saint James A.M.E. Zion Church in collaboration with their generous sponsor: The Silicon Valley Community Foundation
